DOCENT TRAINING @ SPALDING HOUSE

SCIENCE THROUGH ART MINI-TOUR

DUE: MARCH 10

LENGTH: 10 MINUTES

WHERE: SPALDING HOUSE *INQUIRING FINDS*

Plan a short mini-tour to present to the DOTS. You were assigned a portion of the Science through Art Tour. See below.

Prepare an interactive tour in your assigned gallery. Read the Docent Guide. Work with your partner and divide the space and 30 minutes time.

Gear your vocabulary and information to not elementary students!

Invite the audience to look, think and discuss. Let them describe what they see. Let them do the activities. Ask questions. Have fun.

Gallery 1: Joyce, Gregory, Anne
Gallery 2: Kumiko, Alan, Catherine
Gallery 3: Lyn, Lisa, Sigrid
Gallery 4: Edith, Mary, Alex

What is important:

1) Meet the gallery goal 2) Connect with the scientific method 3) Make it fun and energetic 4) Make it age appropriate
