Dear Honolulu Academy of Arts,

Thank you so much for allowing us to visit and experience the Kamishibai Tour. The students really enjoyed the tour and learned a lot about the Japanese culture. The Kamishibai Tour perfectly aligned with our cultural benchmarks. The students were able to make a lot of connections to what they are learning in school and what they saw at the Academy. We are also all very thankful for your generosity of providing compensation for the bus and admission fees. Thank you for accommodating us!

Sincerely,
